# NATIONAL ACADEMY OF CERTIFIED CARE MANAGERS

October 2024

Dear Abigail Vogt
RE: C-3389 November 1, 2024 - October 31, 2027

Congratulations! Your application for NACCM recertification as a CMC has been approved. This accomplishment reflects your commitment to the profession and to the practice of quality care management.

Enclosed is your certificate, which is valid for the next three years. This distinction entitles you to use the designation "CMC" after your name and to represent yourself as a "Care Manager Certified." You may also use the NACCM Certified logo, available by emailing aschachter@naccm.net. Enclosed are the guidelines for its use.

It is never too soon to begin preparing for your next recertification. Recertification guidelines and all forms are available for download via NACCM's website. The NACCM recertification process requires a minimum of 45 hours of documented continuing education (CE) earned over the three years.

Please stay up to date with NACCM by visiting our website – naccm.net – where you can find the latest information on continuing education, testing, and recertification. And feel free to contact us any time if you have questions about your certification or recertification.

Sincerely,

Julie Wagner
